THRIVE
... for life, for good!

Founded in May, 2019, the THRIVE for Life Foundation is a non-profit charitable organization dedicated to raising funds in support of the CARE (Cancer Assistance and Resource Education) Center at the Penn State Cancer Institute.

The THRIVE for Life Foundation exists solely to generate philanthropic support for the CARE Center and its comprehensive, whole person care initiatives. These initiatives include, for example, an annual couples retreat for patients with advanced cancer and their partners, cancer genetics screening, an interprofessional patient navigation team, and the SurviveWELL program. THRIVE hosts a number of signature fundraising events, including: the annual GOLF4THRIVE tournament, and Cooking for Cancer. Together with our event partners, sponsors, and participants We Are... enhancing the lives of adults diagnosed with cancer.
