THRIVE for Life Foundation

2026: A Year to THRIVE

MISSION MOMENT

$50,000 GIVEN — Supporting the CARE Center

In 2025, THRIVE proudly donated $50,000 to the Kristen Olewine Milke Cancer Assistance and Research Education (CARE) Center, thanks to the generosity of our sponsors and a growing community of individual donors.

Our gift supported the Kris Milke CARE Center Program Endowment, Linda Savant Memorial CARE Center Endowment, and Hampden CARE Center Program Fund — including our first investment in programming at the new Penn State Health Hampden Cancer Center.

"The CARE Center has helped connect me with resources and programs that have made a real difference for me. I love that the programs give me fun things to put on my calendar that have nothing to do with doctors, tests, or treatment. What a gift it is to have time to focus on my health and well-being beyond what's written in a medical chart. And it hasn't just been healing for me—my husband, Lance, has been beside me through all of this, and he's found support and connection through the programs too. I'm really grateful to have found a community that understands how cancer affects every part of your life, and supports not just the patient, but the people walking through it with them."

-- Tiffany and Lance Atteberry

IMPACT

GOLF4THRIVE ...for life, for good! TOURNAMENT

$18,000+

Fairview Golf Course was in great shape as always, thanks to Jim Jones and his crew as our sixth annual tournament brought together 25 foursomes for a beautiful day on the course — raising more than $18,000 to support THRIVE's mission.

Looking forward to

JUNE 4, 2027

for our 7th GOLF4THRIVE Tournament

cooking for cancer ... for life, for good!

$58,261

Our biggest fundraiser — and best-tasting event — delivered a record year. Guest chefs, the Englewood Hershey, and talented culinary students from Milton Hershey School helped make this June event unforgettable.
